Your Excellency,

On behalf of the Ghana Olympic Committee (GOC) and the entire Olympic movement in Ghana and the world over, I extend the warmest congratulations to you on your emphatic re-election as the President of the Republic of Ghana.

Your remarkable comeback is a testament of your strength, character, resilience, selfless-leadership, as well as the overwhelming trust and confidence the Ghanaian people have in your vision for our nation.

The GOC recognizes your longstanding commitment to youth empowerment, sports development and promotion, as well as the creation of an enabling environment to attract sports investment.
