PRESS STATEMENT

PERSONAL OPINION OF GUTA'S PRESIDENT ON E-LEVY DOES NOT REPRESENT GUTA'S STAND

Attention of the National Executive of the Ghana Union of Traders' Associations (GUTA) has been drawn to an opinion expressed by its National President, Dr. Joseph Obeng on Joy FM on the issue of E- Levy.

We wish to emphatically state herein that his opinion does not represent the stand of GUTA on the matter, though we respect his personal views.

We, however, support his call for the establishment of a "fund" for the support of Small and Medium Enterprises, start up businesses and Women in trade.

How the Fund should be raised should be at the discretion of the government.

Alhaji Alpha A. Shaban

Secretary-General
